That is The Tramp. Hes played by Monte, a stray from New Mexico who was adopted by the end of filming. Hes mischievous but way too cute to ever be mad at. 14/10 <https://t.co/EJ2LOELIPi>

This is Jackson. He got a blister on his foot back in December. It was painful and kept reopening, so surgery was the best way to fix it for good. Weve covered the remaining cost of Jacksons care. Please consider getting pet medical insurance. Its best to be puppared. 13/10 <https://t.co/IKcZW7fWbH>
